

Update 2 to COVID-19 Prevention: Effective Immediately

Dear Residents, Resident Families, Guests/Visitors, Vendors and Staff:

Following new requests from the Centers of Medicare & Medicaid Services (CMS) and some state officials, we are revising our communal (group) dining and activity programs for a minimum of the next 30-days.

- 1) Our community dining rooms and activity areas will be reset so that tables are kept at least 6-feet apart from each table with maximum seating of two (2) chairs per table.**
- 2) Group activities maybe limited and/or revised per community.**
- 3) Meals will be delivered to any resident that has symptoms of COVID-19.**
- 4) Tours will continue, but must be pre-scheduled and approved by the community's Executive Director. Anyone touring the community must adhere to our pre-screening procedures.**
- 5) New admissions/move-ins will continue, but must adhere to our pre-screening procedures.**
- 6) Community staff will offer ALF residents hydration at the minimum 2-hour checks and will offer ILF at their AM check and PM check.**
